| Just say the word!

You say the word, and we'll craft your individual precious silver and diamond jewel, from scratch using the UK's top jewellery artisans. Then, we'll either deliver it to your home address, or to your local jeweller. Whichever suits!

| So, this is how it works!

Step 1

Choose the word, name or numbers you want. It can be anything up to 12 characters – we will make it work. Inspiration provided on page 6 if you need help!

Step 2

Choose whether you want a short necklace (40cm), medium necklace (45cm), long necklace (50cm), bracelet or anklet. We can do it all!

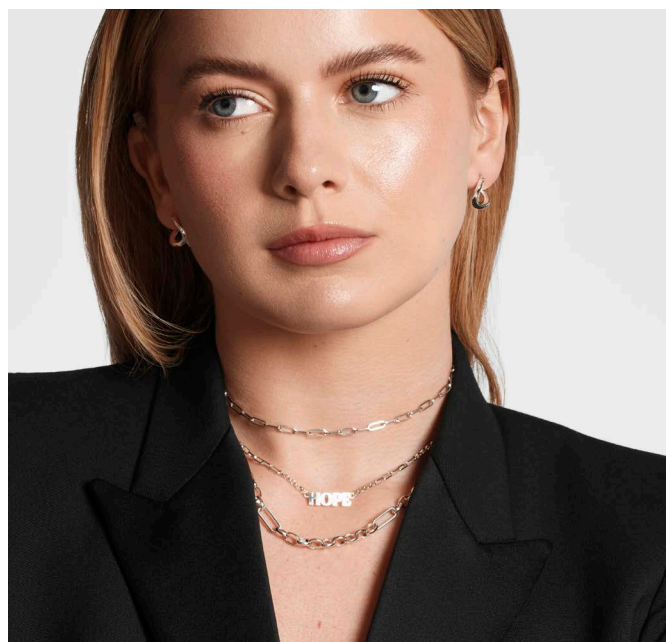

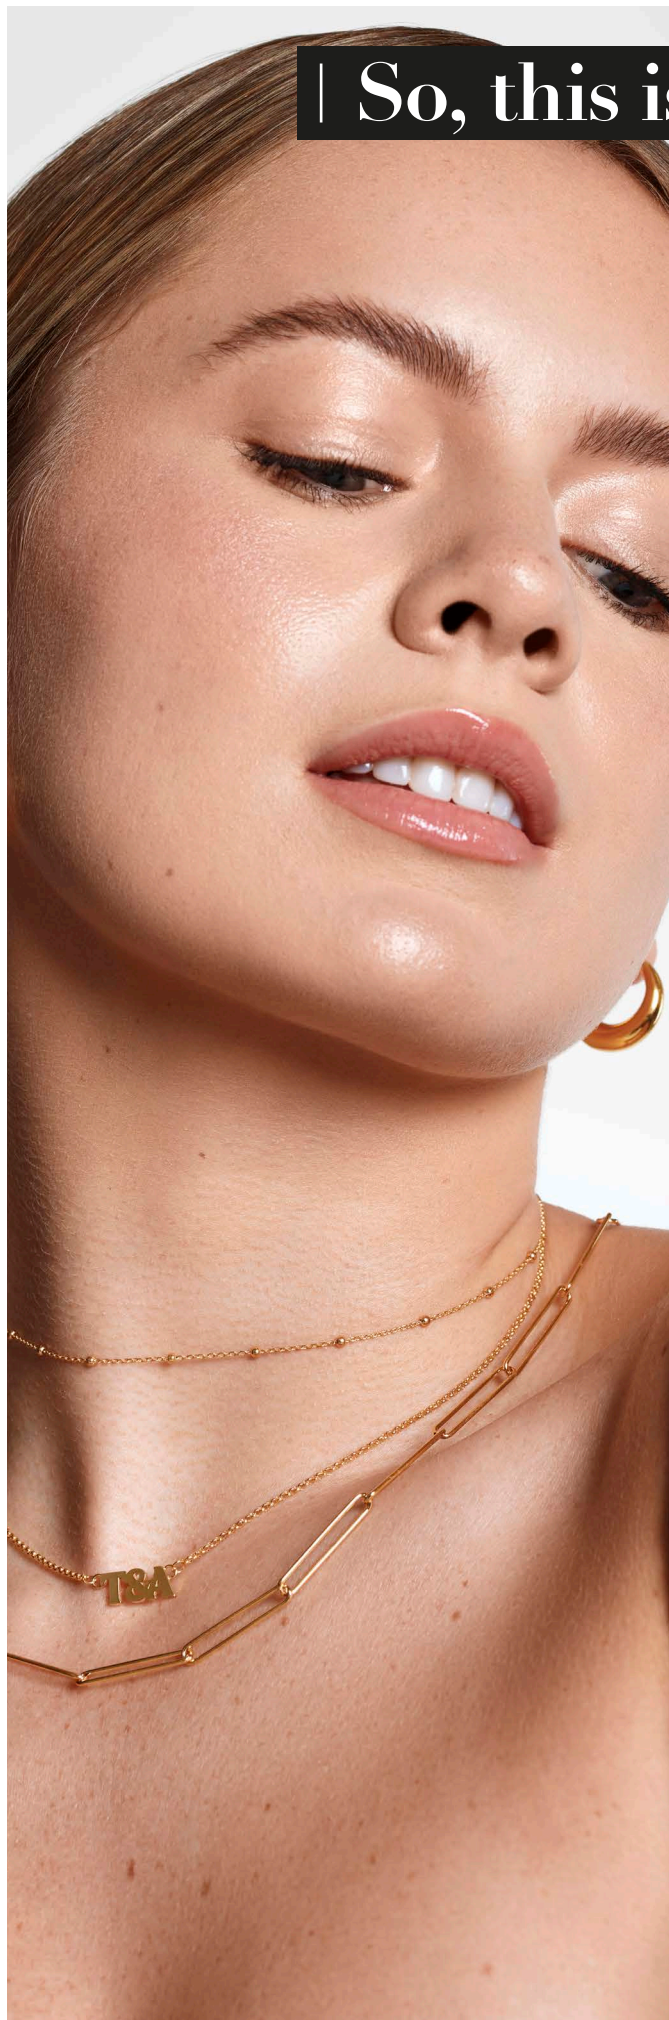

Step 3

Choose the chain you love the most. We have silver or gold in 4 beautiful designs, and they're available to see on the Hot Diamonds x Tasha Ghouri display.

Step 4

Choose the font you love the most from lower case, italics or block caps. Examples of each are on your jeweller's display!

That's it – Hot Diamonds and your local jeweller will do the rest! Your jeweller has an amazing app that will take your order and then, 10 working days later, your precious jewel will be ready for you!

| Personal and Precious

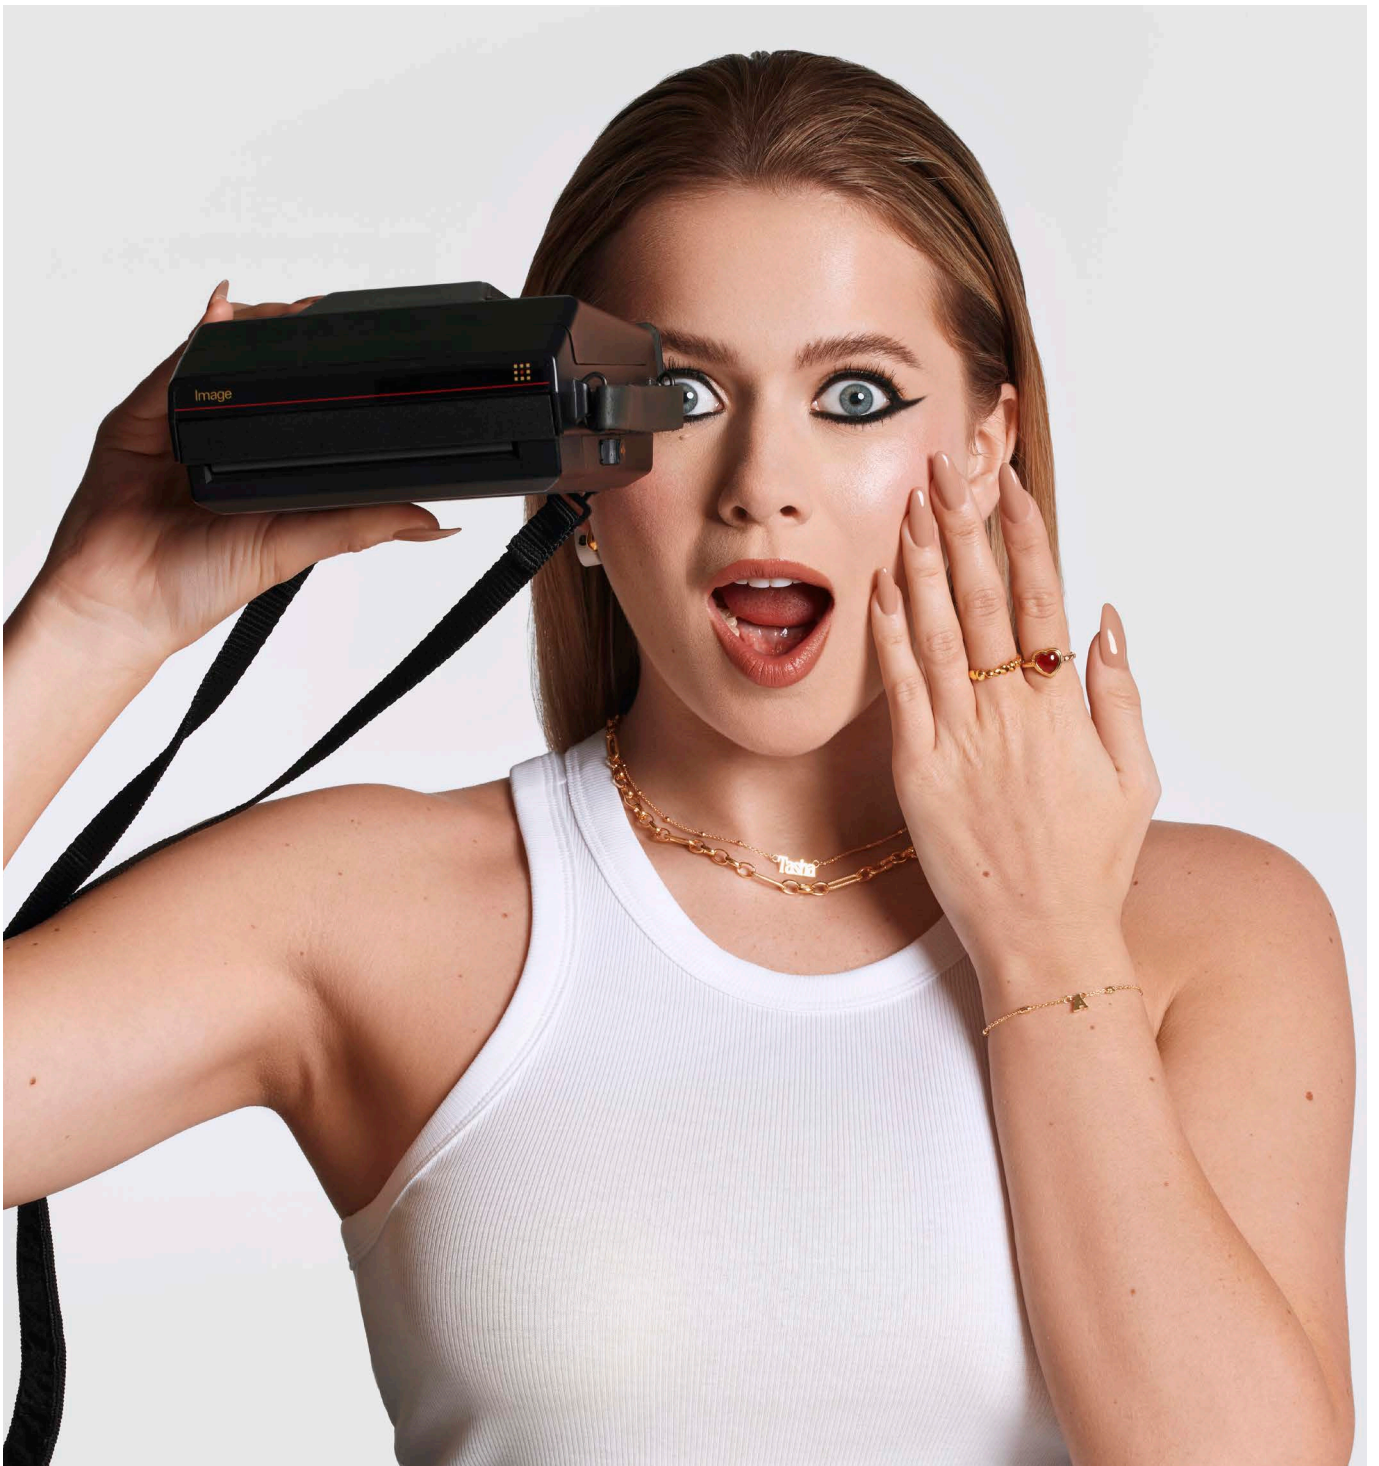

This is the real deal, guys!

Your jewel will be crafted from 925 sterling silver and your chain will be finished with a hand-set diamond tag - pure luxe!

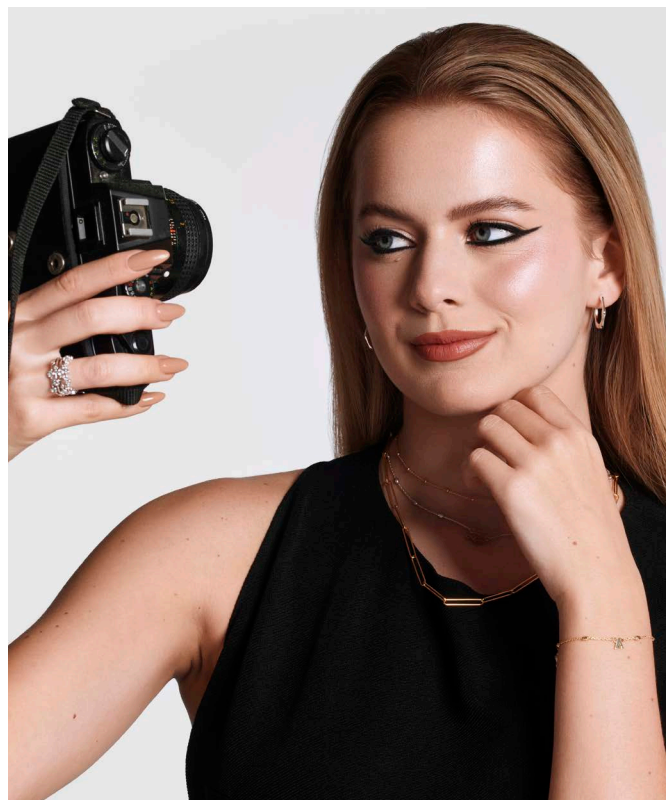

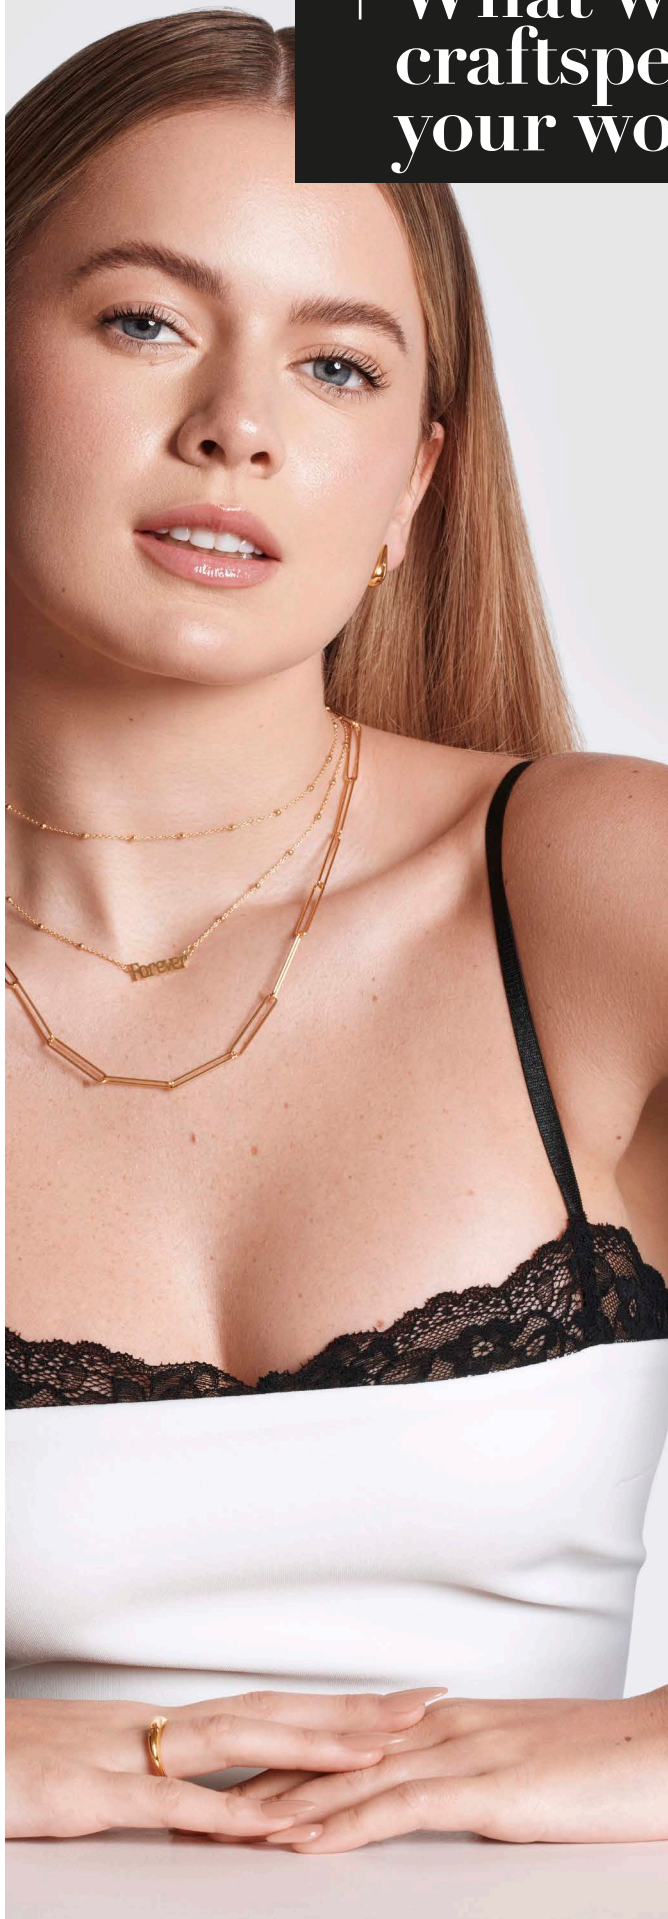

If you choose a silver finish, your jewel will be rhodium-plated to prevent tarnishing. Rhodium is more expensive than gold - only the best for your unique jewel!

If you choose a gold finish, your jewel will be plated with a luxurious coating of 18 carat gold with a protective coating to help prevent wear.

The finished jewel will be gift wrapped in a gorgeous jewellery box and luxury bag. This makes Hot Diamonds x Tasha Ghouri the perfect sentimental gift for a loved one, or a cherished and meaningful self-treat!
