DESIGNER'S NOTE

F/W 24 COLLECTION

@TISENTOMILANO #MODERNCLASSICS

TISENTO

FW24

Where we usually find inspiration in travelling, this season, we felt heavily drawn to architecture—mid-century modern aesthetics, with lots of vintage design pieces, and warm-hued interiors. After all, opposites attract. I know it sounds like a cliché, but clichés are clichés for good reason.

Besides stylish, sophisticated and put-together interiors, this season's mood board is filled with vintage pictures, suits that would look great on your father, pinstripes, the nineties in general, and images that evoke a sense of quiet luxury before it was named so. Think of Kate Moss during her heydays, the revival of cargo pants, sexy slip dresses, vintage office attires, and baggy jeans – items that piece by piece shaped the nineties. My team and I translated the inspiration into outstanding shapes, exceptional cuts, and memorable items to cherish through the years.

I hope you embrace the new collection as much as my team and I did during the creation process.

CLASSIC ICON

Jewellery does not have to blend in; when wearing a discreet look, it might be the extra oomph it needs. Mixing and matching statements and more classic pieces is at the core of the modern classic's style.

eye OF THE TIGER

We would not claim that brown is the new black, but we admit that it adds taste to any look. Dare to flare with these idiosyncratic items executed in tortoise. Reinvigorating the nineties, these pieces irregular brown and yellowish tones pair well with any look – from casual to outgoing.

Whether you love to dress up for a night out or want to add excitement and class to an everyday outfit, carrying these sparkly items will serve the purpose well.

MIXED SILVER & GOLD

RADIANT CHRONICLES

Radiant chronicles blend the eighties with the here and now; and these clover four pendants add daily luck. Worn as earrings, rings, or as a necklace, their versatility makes them blend within any style. And while they have lots of extraordinary details, they somehow feel coordinated.

A CROWD

Good things come in threefold: at least, that is what we believed when developing this line with the lucky number three at its core. Uniting boldness and elegance while embracing a minimalist yet modern approach.

Do not think of these pieces as a three ring circus instead, they bring balance to any look. Their scintillating shapes merge fashion and art with a hint of art deco.
